

We're Listening.....

QUALITY WORK.....
PERSONALIZED TO
YOUR NEEDS.....
COMPETITIVELY!

ALL TYPE has been providing hospitals, clinics and physician practices with dictation capture, quality medical transcription, and document distribution services for over a decade. From complete outsourcing, to backlog support and more, *ALL TYPE* services are innovative, HIPAA compliant and always flexible to your needs.

At *ALL TYPE*, accurate documentation of patient care is our #1 priority. Our experienced medical transcriptionists, coupled with innovative technology solutions allow us to deliver superior medical records, on-time 24/7/365. *ALL TYPE* clients can always be confident that they are receiving the best quality medical transcription available.

Our solutions are personal, cost-effective and client-friendly. We deliver **value** to our clients that far exceeds the *price per line*.
